

# ARIZONA

PATIOS

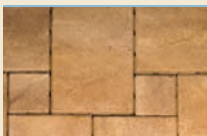

Interior spaces provide for sleeping, dining, reading, bathing and other needs, so why not design similar “rooms” for outdoor spaces? Based on the design philosophy that no two natural stones are alike, these oversized patio slabs create spaces that provide a valued outdoor escape from the strains of modern life. Our Arizona slabs are stunning in any setting and ideal as pedestrian pavement surfaces.

Wheat*

## ARIZONA

Sq. Ft. per Pallet	Layers per Pallet	Sq. Ft. per Layer	Weight per Pallet
101.2	10	10.12	2680

*Arizona's light colors stay cooler in sunlight so they are more comfortable on bare feet and perfect for pools.*

**ARIZONA**  
Sabara Sand

*The natural stone texture creates shadows and highlights that bring out gorgeous tones and colors all throughout the day.*
