

RIBERA

- ANTIQUE PAVERS -

RIBERA
Milton Grey

Designed to resemble rustic cobblestones, Ribera is the perfect selection for adding Old-World charm to your landscape.

Ribera enables sweeping turns without the need for cuts during installation. Available in four random sizes, Ribera is typically laid in a running bond pattern, enhancing its antique and historic beauty. Our Ribera line also provides the Linea® advantage – it ensures a tight fit without sacrificing random spacing between each stone.
